PLEASE READ BEFORE BIDDING

Coins and medals are sold at *so much per lot* and no lot will be separated. The auctioneer will accept an advance of 1 cent up to 50c., then 5c. up to \$2.50, when 10c. advance must be bid, up to \$10, when no advance under 25 cents will be accepted. You can bid anything up to 50c., after that the bid must be 55c., or 60c. Such offers as 51c., \$1.01, etc., are unavailable.

Auction sales are strictly for cash. Parties unknown to me and bidding for the first time, must give bank or other reliable reference.

Forward your bids as early as possible, as thousands of bids have to be entered. Do not make ridiculously low bids, such as 10 and 15c. on foreign silver coins worth several times over as bullion. Write your bids plainly, with a pen if practicable. I have taken special pains to carefully and fairly describe each lot.

Where the number of pieces in a lot is not given after the description, there is but one piece in the lot.

The coins, etc., in each lot are different unless otherwise described.

Be sure you bid on the lot you wish to buy

All coins etc., are genuine unless otherwise described.

My charge for executing bids will be 5 per cent. No charge made for bidding except for lots actually purchased. Remit by money order or New York draft, as the usual exchange fee will be deducted from checks.

We will send you a catalogue neatly priced in ink for \$1.50.

RARE U. S. PATTERN COINS.

- 250 1879. \$1. (Goloid Metric). Copper proof. On the obv. a female head to left, with tightly coiled hair; on a band across the top of the head the word "Liberty"; around the border "E. Pluribus Unum, 1879" and thirteen stars. On the reverse, within a circle of stars, in four lines: "15.3—G | 236.7—S | 28—C | 14—Grams" within a circle of stars. Immediately around the circle of stars, in semicircle at the top, "Goloid Metric Dollar". At the bottom in semi-circle the motto "Deo Est Gloria." Around the border "United States of America, 100 Cents." This is one of the rarest of the goloid series of dollars, the head being of curious design, a good deal like that on the excessively rare stella by Morgan dated 1879, with tightly coiled hair, and the resemblance would seem to indicate that the work was by the same artist. Plate.

- 251 1878. \$5.00. Copper proof. To the left a head of Liberty of original design, with two bands around the hair, on one of which is inscribed the word "Liberty", around the border is the motto "E. Pluribus Unum, 1878." Reverse: An eagle with outstretched wings holding olive branch and arrows in talons, head facing to left. Around the border "United States of America Five Dollars." This piece is of unusual size and of peculiar design, and none of its features was adopted on a United States coin. Plate.
- 252 1870. Dollar. Silver proof. The beautiful Longacre, Indian princess design, seated figure to left. Under base, on right hand side, full name, "Longacre." Rev. is from regular die of the year. PLAIN EDGE. Great rarity in this condition and edge. Plate.
- 253 1885. \$3. ALUMINUM PROOF! Struck from the regular dies of the year. The latest known trial piece from the \$3 dies. One of the rarest \$3 pieces, ranking with the rare 1870 S piece. Only two known! This ought to be especially desirable to the \$3 collectors.
- 254 1872. \$10. Copper proof. Barber's handsome design with Liberty head, of original pattern, facing to left, wearing liberty cap, inscribed "Liberty", or with the word "Liberty" inscribed across the band. Rev. eagle, standing with open wings, supporting a shield with right talon, across the shield a tablet bearing the motto "In God We Trust." Around the border "United States of America. Ten Dol." Plate.
- 255 1873. \$1 (Trade) in Copper. Proof. Obv. Lib. head to left, wearing crown of leaves; around border 13 stars, and the date, 1873. Rev. in center of field a small eagle in every way similar to that on the Ten Dollar piece just described; above the eagle, in small letters, the motto "E. Pluribus Unum." Around the edge, "United States of America. Trade Dollar." Rare in this metal. One of the well known set of silver patterns.

- 256 1873. \$1 (Trade). Copper proof. Head of Liberty to left, with coronet bordered with pearls, and inscribed "Liberty." Rev. "Trade Dollar 420 Grains. 900 Fine," in four lines, enclosed by large wreath. Copper. Very rare.
- 257 1878. Goloid Dollar. Copper proof. The well-known Goloid dollar obv., but the rare rev. with circle of laurel leaves instead of ordinary design of stars. Very rare. Plate.
- 258 1879. Dollar. Copper proof! The famous "Wash-lady" design. Probably not over 3 known! Obv. head of Liberty to left, with large mass of tumbled hair; across the head a band upon which "Liberty". Above the head the motto "In God We Trust"; 13 stars and date, 1879. Rev. large eagle with spread wings, holding laurel wreath, arrows. Around eagle, the motto "E. Pluribus Unum" in widely separated letters. Around border "United States of America, One Dollar." This is a trial piece from the regular dies of the "Wash-lady" silver pattern dollars, and has not been offered for sale in twenty years! Plate.
- 259 1879. Metric Dollar. Silver proof. Female head to left, similar to one on Barber rejected design of 1878, with hair flowing down at the back of the neck, and with pearl incrust ed diadem, on which "Liberty." Above the head "E. Pluribus Unum." Around the border, 13 stars. Rev. enclosed by wrth. On the reverse in center of field, small dotted circle, enclosing in four lines inscription "895. 8 S, 4.2—G, and 100 C. 25 Grams." At top, in ornamental tablet the motto "Deo Est Gloria." Around border "United States of America, One Dollar."
- 260 1880. Metric Dollar. Copper proof, from the same dies as the one described in the foregoing, with the differences of date and metal. Very rare in this metal, and date. Plate.
- 261 1880. Goloid metric Dollar. Copper proof. Obv. the usual goloid metric type. On the reverse a circle of stars in field, enclosing the inscription in four lines, "15.3 G. 236.7—S; 28. C. 14 Grams." Around the stars in semi-circle, "Goloid Metric Dollar." At the bottom, "Deo Est Gloria" in large letters. Around border, "United States of America, 100 Cents." Rare in this metal and fine. Plate.
